

COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF AGRICULTURE

August 1, 2002

Dear Mr. Roat:

Sorry for the delay in responding to your question. The PA Department of Agriculture has no law or regulation requiring customers to wear shoes in facilities we regulate.

In areas where there is a local or County health department, those agencies might have a requirement you would have to inquire to those agencies.

If you have any questions feel free to give me a call.

Sincerely,

A handwritten signature in cursive script that reads "William R. Kinder".

Food Safety Division
