April 11, 2002

Dear Mr. DiFonzo:

The Virginia Department of Health does not have any law or regulation requiring shoes or other footwear to be worn by the public or staff in restaurants.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary L. Hagy".

Gary L. Hagy, Director
Food and Environmental Health Services
