Mr. Steinkamp,

Your inquiry to Dr. Larry Wolk, dated March 16, 2017, was directed to my attention regarding public sanitation requirements for restaurants, grocery stores, convenience stores, etc. in Colorado.

There are currently no requirements in the *Colorado Retail Food Establishment Rules and Regulations* related to customer footwear.

Respectfully,

Sean Scott  
Deputy Director, Division of Environmental Health and Sustainability

ec: Dr. Larry Wolk, Executive Director, CDPHE  
Jeff Lawrence, Director DEHS
