Dear Mr. Sands:

Thank you so much for contacting the Kentucky Department for Public Health. The Kentucky Department for Public Health-Food Safety Branch does not have any regulation, code or other rule that would not allow customers or patrons to enter restaurants, grocery stores or convenience stores while not wearing shoes or footwear.

Please let me know if you have any further questions or if I may be of any further assistance.

Sincerely,

A handwritten signature in blue ink that reads "Pamela Hendren".
