Re: Requirement for Wearing Shoes

Dear Mr. Rupprecht:

I appreciate your inquiry about any requirements for customers of Kansas businesses to wear shoes inside establishments.

I did not find any Kansas law or regulation requiring shoes to be worn by customers. As you mentioned, businesses may set their own dress codes.

I have enclosed a small token for you.

I hope your plans to visit Kansas come to fruition. I'm sure you will enjoy your time here!

Please contact me if you have any questions.

Sincerely,

Adam Inman
