June 20, 2017

Dear Mr. Steinkamp,

Thank you for your inquiry into the State of Alaska's regulations regarding retail food facilities such as restaurants and grocery stores. There are no specific regulations in the Alaska Food Code that require operators of these facilities to make their customers wear footwear.

In Alaska, the only other government entity that has jurisdiction over retail food establishments is the Municipality of Anchorage. Their website is:

<https://www.muni.org/Departments/health/Admin/environment/FSS/>

Sincerely,

A handwritten signature in blue ink that reads "Carpenter".

Christina Carpenter
Director
