Dear Ms. Fuhry:

Thank you for your letter inquiring if the Wyoming Department of Health (WDH) has any regulations or codes requiring patrons to wear shoes or other footwear while inside a business such, as stores and restaurants.

The Wyoming Department of Health does not have a statute, rule, or regulation regarding wearing footwear in public places. There are local ordinances regarding this issue, but the WDH does not track that information.

If you require further information, contact Wendy McGee at wdh-phd.admin@wyo.gov or 307-777-6340.

Sincerely,

Wendy E. Braund, MD, MPH, MEd, FACPM,
State Health Officer and Administrator
Public Health Division
